

2. Make a drum

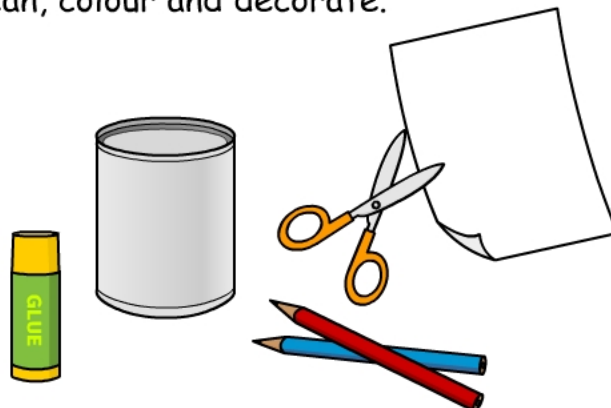

You need:

- A tin can
- Paper
- Glue
- 2 pencils

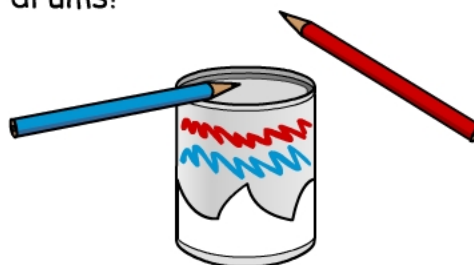

More ideas:

- Use 2 spoons as drumsticks. Do the drums make different sounds?
- Glue some paper on top of the can. What sound does your drum make now?

1. Glue the paper around the sides of the can, colour and decorate.

2. Use the pencils as drumsticks and play your drums!

3. Make a guitar

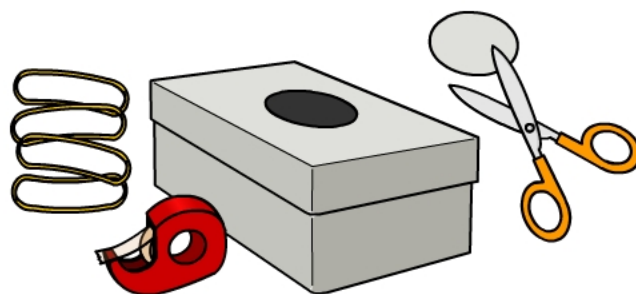

You need:

- A shoe box
- 4 large elastic bands
- Sellotape
- Scissors

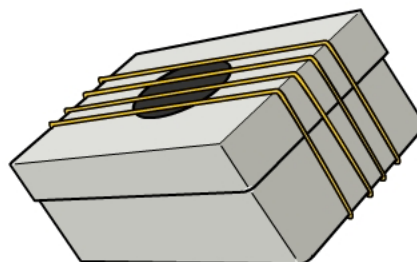

More ideas:

- Sellotape a ruler to the bottom of the box to make the arm of the guitar.

1. Cut a hole in the lid of the box.

2. Put the elastic bands around the box.

3. Play your guitar!
