

This is an international airport. Many people come here from countries all around the world, and many people leave from here to see the world. Many people work here to keep things safe, the air traffic controllers in the control tower, the ground crew, the luggage cart drivers. The terminal is crowded with travelers and people meeting incoming passengers. Where would you like to fly to?

Print out this pattern, cut out the pieces, and assemble as shown in the diagram. It may be easier to cut widely each part, and then trim the parts carefully. Don't worry if you can't cut too closely around some of the fine details.

Terminal building

Airport sign

Pilot and flight attendant

Airplane handler

Jetway

Luggage cart

Small jet liner

Fuselage

Tail

Landing gear

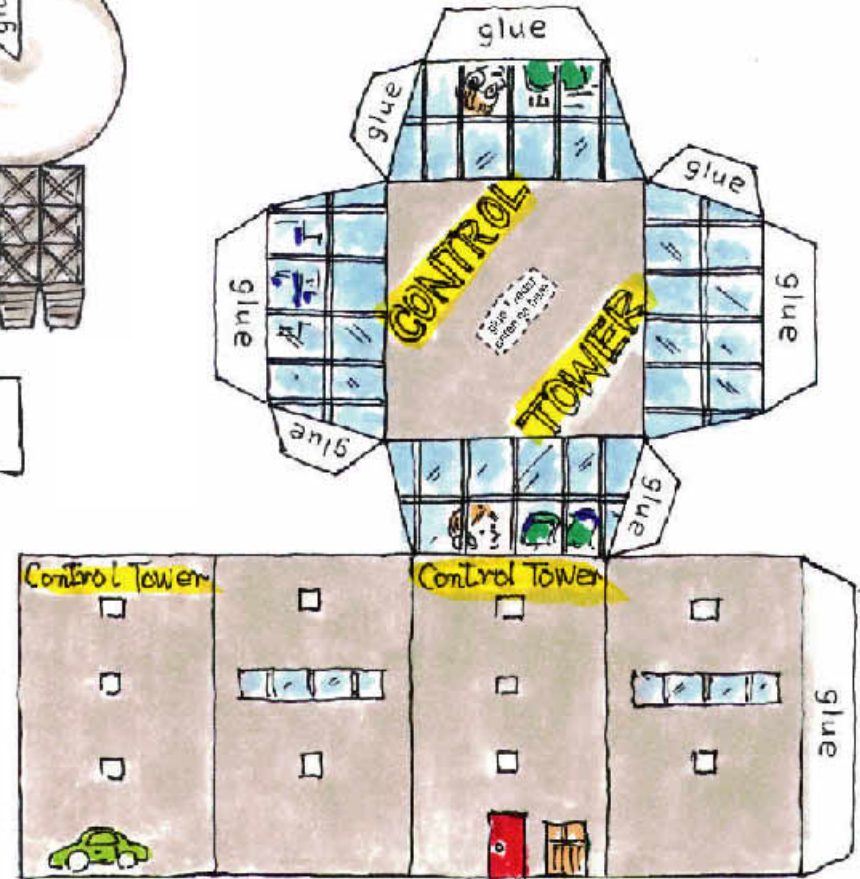

Hanger

Radar antenna

Control tower
